## FIFTY LIVES LOST IN STORM FROM WEST

ESTIMATED PROPERTY DAMAGE WILL MOUNT INTO THE MILLIONS—INDIANA HARD-HIT, MANY VILLAGES IN DARKNESS

Chicago, April 18.—Sweeping northeastward through the middle-western states a storm, which had its origin in the Rocky Mount region Sunday, had passed over Ohio today leaving in its wake death and much destruction. A loss of nearly fifty lives was attributed to the storm which developed considerable energy as it progressed over Illinois and Indiana, taking in many places the form of tornadoes. Damage to property will mount into millions, it is believed.

Accompanied by rains which sent streams, then swollen, coursing far beyond their usual channels the storm added suffering and inconvenience to some communities which for several days have been affected by flood conditions. A drop in the temperature to below seasonal normal added to the discomfort of families whose homes having been destroyed by wind or made uninhabitable by floods are now living in tents or improvised shelters.

Indiana apparently felt the full effect of the wind storms yesterday, in that state twenty one persons are known to have met death in different communities. Early yesterday morning the storm centered in Illinois, striking a number of villages in the darkness. Tornadoes wrought havoc to many homes and such reports as were available from agricultural communities which had been stripped of nearly all means of communication indicated that twenty-two persons had been killed.

Missouri, Iowa and Kansas had felt the storm early Sunday, but in these states it lacked the intensity which marked its sweep across Illinois and Indiana and into Ohio.

## NOTICE TO CONTRACTORS.

The County Highway Commissioners of Abbeville County will receive sealed bids, at the office of County Supervisor, until 12 o'clock, M. on Thursday, May 11th, 1922, for the construction of Seven and 66-100 miles of topsoil road from Abbeville to the Greenwood County line near Douglass Mill, better known as the Douglass Mill road, as per the survey of the County Engineer.

The work will consist of the necessary clearing and grubbing, excavation, culverts, headwalls, top soil surfacing, and such other work as may be necessary to complete the road according to the plans and specifications. Detail information will be furnished by H. B. Humbert, County Engineer.

Bids shall be on the prescribed form and accompanied by a certified check, or corporate surety bid bond, in the sum of Five Hundred Dollars (\$500) payable to J. S. Stark, Chairman, as guarantee that the bidder will, if awarded the contract, within ten days after notice thereof enter into a written contract and give satisfactory bond in one-half (1-2) the amount of the contract price, said bond to be furnished through an agency resident in Abbeville County.

Bidders must satisfy the Commission of their experience and ability to perform the work. The right is reserved to reject any or all bids.

Done at Abbeville, S. C., by order of the Commission, this 8th day of April, 1922.

J. S. STARK, Chairman.
